

BRINGING THE PUBLIC AND PRIVATE SECTORS TOGETHER

## YHFF™ MASTERCLASS

# ***“How vulnerable is your organisation to the threat of cyber-attacks?”***

Thursday 26 September 2019

at

**BDO LLP**, Central Square, 29 Wellington Street, Leeds, LS1 4DL

**We are delighted to welcome Vijay Velu, Head of Offensive Security Services, BDO LLP**

In this Masterclass Vijay will be giving us an insight into how and why cyber hacks are an increasing risk for businesses of all size on the public and private spectrum. Vijay will introduce us to the reasons and methods for cyber hacks and, given varying budgetary constraints on organisations, the minimal defences that we need to have in order to protect the assets and intelligence of our organisations. There will be a live demo... this Masterclass is not to be missed!

Vijay is a passionate Information Security Practitioner, Author, Speaker, Investor and Blogger. He has specialised in providing technical solutions to a variety of cyber problems, ranging from simple security configuration reviews to cyber threat intelligence. Vijay started his career as an ethical hacker with IBM and has worked with some of the largest companies in the world. He holds multiple security qualifications including Certified Ethical Hacker, EC-council Certified Security Analyst and Computer Hacking Forensics Investigator.

Vijay has delivered multiple guest lectures and training on the importance of information security at various international business schools.
